\*Quotes can be made for any item not found on this price list. \*Taxidermy work will begin after a 50% deposit has been paid. There is a \$50 late fee on all mounts not picked up within 30 days of notification and an additional \$50 every 6 months thereafter. \*Any mount left over 90 days will be subject to being sold. \*All prices are for standard poses. Custom poses are extra. Condition of acceptance: I have no control over any skin or trophy prior to my receiving it for tanning and/or mounting. Many factors have a definite effect on the final results of tanning, such as time of year, climate conditions, and care given to the trophy in the field when it was killed. Occasionally a skin will not tan or goes to pieces in the tanning process due to improper handling prior to my receiving it. Also, defects in the skin cause problems for which I cannot be held responsible. For these reasons, I cannot assume any responsibility or offer any guarantee of the tanning of any skin. Killian's Taxidermy Studio assumes no responsibility for fire, theft, flood, vandalism or any casualty beyond our control. Prices subject to change without notice.
